Math Prefresher 2007 Evaluation

Ellie Powell, Instructor. Jen Katkin, Teaching Fellow.

1. What was your participation level in this course? (Circle all that apply)

    a. Regularly attended lectures.
    b. Attended some of the lectures.
    c. Regularly attended problem sessions.
    d. Attended some of the problem sessions.
    e. Regularly did the assigned readings.
    f. Did some of the readings.

2. If you didn't regularly attend lectures or regularly attend problem sessions or regularly do the readings, please explain why. (e.g., you weren't interested in some of the lecture topics; or you already had the material and thought problem sessions weren't necessary; etc.)

3. Did the amount of effort you put into the class change over the week? If so, why?

4. How helpful were the lectures? Were they well organized and delivered? What did you like or dislike about them?

5. If you attended them, how helpful were the problem sessions? What did you like or dislike about them?

6. If you did the assigned readings, how helpful were the assigned texts? What did you like or dislike about them?

7. This course covers a lot of material in a short amount of time. If you had to organize this class, would you change the emphasis? If so, how? Where did we spend too much or too little time?

8. Would you change the structure or scheduling of the class? If so, how?

9. What would have been the optimal amount of time to devote to a Prefresher?

    _____ # of days _____ # of hours per day
